

7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the institution an area distinctive his its priority and trust within 1000 words :-

West Khandesh Bhagini Seva Mandal's Arts and Commerce College For Women Deopur Dhule is specially a distinctive college as it is the only women's college in the Dhule District that is affiliated to the SNDT women's university Mumbai. The founder chairperson Hon'ble Late smt Kamalabai C Ajmera who was the ex-minister Govt of Maharashtra; she started this college for the poor and the tribal girls or womens from the near by areas who belong to the rural areas and the girls who are backward / not supported from the familiar. Her dream was to educate the widows and the divorced ladies and make them stand on their own feet to be self-sufficient in all fields.

Secondly, it is the most important point to note that our college has pre-primary section to P.G. Section facility one campus. The girls coming from the poor family background; once admitted can continue till the end in the same campus. Our college is under a women's minority institution in the whole district. The management as well as the majority of the students too belong to the minority section of the society. The college has BCA Degree and we promote computer education in less fee to the students as compared to the other colleges in the district level.

The institution has skill based vocational course in our women college is a special feature of our college. Once is the only women college that has girls unit of NCC and is attached to the girls unit Aurangabad. Last but not the least, the management members are all women of our institution and are all dedicated for the welfare and development of the college girls and faculty members.

- The most important factor to note that the college being in Khandesh region (Dhule, Jalgaon and Nandurbar District) where the girls or womens are generally get married it in age of 18 and 20/21 and they are forced to leave their degrees unfinished, hence our endeavour is to visit such cases and promise and motivate such girls to carry on with their left out studies and complete degrees and post degrees to most of the cases for completion of their studies.
- We also try to uplift the mood of divorce girls/womens by motivating them and giving them admission to our college under the guidance of our highly trained and expert faculty members and seen very excellent results after two to three years of guidance.

There are some major distinctive point mention here as

1. Our College for Women's Only.
2. Students are in Poor Family background and tribal area.
3. Rural area background.
4. Widows preference education.
5. Divorced ladies /women's are promoted to be educated.
